

The IMPF Network Project

IMPF is pleased to inform you that the General Assembly and Annual Meeting will take place on Thursday the 20 of April and Friday 21 2023

IMPF is inviting its European Union based members (those with an address in an EU Member State) to submit proposals to host the 2023 General Assembly Annual Meeting in an EU Member State*. [This is an Open Call for the event which is part of the Creative Europe Programme of the EU allowing IMPF members to meet and exchange and grow the network.](#)

Events must be hosted by an individual IMPF member with an address in a European Union country or it can also be a consortium of IMPF EU based members.

If you wish to help host this event in your country, please get in touch asap with Sylvie at the Secretariat as we would like to announce the location by December 13. There is financing available with a 20% in co-financing (including staff time or other in-kind contributions). Note that all IMPF events should pay close attention to diversity and eco-friendly policies. And further note that this meeting is in addition to the recently announced Palma Summit which will take place from October 08 to 11 2023.
