

## IMPF Network Project

### Events - Open Call to Members

***IMPF is now inviting its members\* to submit proposals*** to co-host the **second edition of the Palma Music Entrepreneurial and Creative Industry Summit** taking place from October 08 – 11 2023.

Following the success of last year and the overwhelmingly positive feedback about Palma as a preferred location, we are holding the Summit again in Spain, in **Palma de Mallorca at the same venues and the same time.**

The number of participants will be limited in the first instance to IMPF members, associate members, Friends & Supporters and invited guests with the number of delegates capped at 220+.

The event will consist of a series of panels with experts sharing their views on issues that matter for the future of music publishing and will allow ample time for networking opportunities and business meetings. The songwriting camp will run concurrently as last year and is under separate financing.

The Summit can be hosted by an individual IMPF member, or it can also be a consortium of IMPF based members. **If you are interested in helping to host, please let us know by replying to this email saying, “Yes, I am interested in helping to host”** If you have any questions, don’t hesitate to get in touch. **The closing deadline for your expression of interest is March 31.** Note that all IMPF events should pay close attention to diversity and eco-friendly policies.

**The registration for members to attend the Palma event will open in April. We will send you an email at that time with a link to register and book your hotel. Meanwhile if you are interested in attending Palma you can already let us know by sending your name to [eventsimpforum@gmail.com](mailto:eventsimpforum@gmail.com) and in this way we will make sure you are on the pre-registration list.**

*\*Members of IMPF with an address in one of the EU Member States or in the list attached. Member companies who are not on countries on this list can assist and help co-host but cannot receive financing.*
