

ARK™

”

A single idea from the human mind can build cities.
An idea can transform the world and rewrite all the rules.
Which is why... I have to steal it.

- Dominic “Dom” Cobb

Christopher Nolan's 'Inception'

ARK™

Protecting Human Endeavor.

ARK™

/ärk/

noun:

a place of protection or security

verb:

to ARK something

Welcome to ARK, where you can store, share, collaborate, discover, and most crucially, protect, your own and other people's ideas.

Tech

In this age of rapidly advancing A.I, we ask that everyone who enters ARK authenticates their human identity by way of biometrics.

ARK™

Created by humans.
For humans.
