

IMPF Network Project – Work Package 7

Summary

IMPF's EU Project activity is promoted across social media and key music industry trade titles, as well as on the [IMPF website](#), newsletter and three social media accounts:

[Twitter](#)

[LinkedIn](#)

[Instagram](#)

Activity

IMPF keeps members and wider industry stakeholders informed of its advocacy and lobbying activity via its website, newsletter and social media channels, as well as having direct contact with the music industry press such as Music Week, Record of the Day, CMU, IMI and Creative Industries News.

Beneficiaries

IMPF members and the wider industry.

Outcomes/Next Steps

IMPF press releases and statements were published throughout 2023 (see below). IMPF will continue to promote its activities, under the Creative Europe programme, via its website, newsletter, social media channels and trade press links.

IMPF (Independent Music Publishers International Forum) is the global trade and advocacy body for independent music publishers worldwide. IMPF helps to stimulate a more favourable business environment in different territories and jurisdictions for artistic, cultural, and commercial diversity for its music publisher members and the songwriters and composers they represent. www.impforum.org
